

TURF KENTUCKY BLUEGRASS

KELLY

Known industry-wide for its consistency and dependability, Kelly is a medium dark-green Kentucky Bluegrass delivering a desirable uniform and dense turf throughout the growing season. Additionally, **KELLY** exhibits exceptional disease resistance, swift wear recovery and excellent winter hardiness when compared to similar varieties in today's market. **KELLY** is the perfect tripe and true addition to your bluegrass, tall fescue and perennial ryegrass lawn mixtures.
